SILVER ARROW MARINE POWER TREATMENT

Product Description:

Silver Arrow Marine Power Treatment uses a new generation of top tier multi-functional diesel fuel or gas oil additive package which boosts performance in the key areas of injector detergency, cetane improvement, lubricity, corrosion and foaming. It provides excellent cleaning properties to the fuel system as well as enhancing the quality and performance of diesel fuel.

Silver Arrow Marine Power Treatment improves fuel economy from the first tank of used and even greater improvement with continual usage. A dosage of 0.15% by volume is recommended, depending on application. Contact your United Oil Company representative for specific recommendations.

Applications / Benefits:

- ▣ Clean Excellent keep clean and clean up injector performance resulting in reduced environmental emissions, extended maintenance intervals and improved fuel economy.
- ▣ Cetane improvement of two numbers (average) resulting in better cold starting, lower noise and smoother running.
- ▣ Improved fuel lubricity leading to complete pump and fuel system protection.
- ▣ Improved resistance to storage tank and fuel tank corrosion.
- ▣ Reduction in foaming characteristics of the fuel.
- ▣ Faster fuel fill up and reduced forecourt spillage.

Typical Characteristics:

Test Description	Method	
Specific Gravity @ 15 °C	ASTM D 4052	0.854
Flash Point, °C	ASTM D 92	70
Pour Point, °C	ASTM D 97	-15
Kinematic Viscosity, cSt @ 40°C	ASTM D 445	5.8
Color	ASTM D 1500	Green
